September, TBA

Riverside Park Bank Stabilization Project – pending City of DeWitt funding and low water levels. Vols needed.

September 15

2nd public meeting of the year: Walking tour of Wildflower Meadows in DeWitt Tues., Sept. 15 @ 6PM. To demonstrate how the City of DeWitt's Storm Water Ordinance and the unique land use designs of the housing development is benefitting its neighbors and the Looking Glass River watershed. Wildflower Meadows is located at the NW corner of Herbison and DeWitt Roads just south of the U.S. Post office. This should be of interest to parents, middle and high school students, science teachers, government officials and anyone interested in preserving our natural world where we live.
